Re: Request for Additional Information (12 Day Pre-Primary Report , 4/01 - 4/28/10)

This is in response to the Federal Election Commission's analysis of Freedom's Defense Fund's 12 Day Pre-Primary Disclosure Report and your request for additional information concerning that report.

EARMARKED CONTRIBUTIONS

Prior to the Pennsylvania Primary Election, Freedom's Defense Fund asked its donors if they would be willing to write a check to William Russell for Congress. On the Pre-Primary Disclosure Report, the committee reported 422 contributions totaling \$16,425.64 as memo entries on Schedule A for William Russell (PA-12). These earmarked contributions were passed directly to the William Russell campaign and were not deposited into a conduit account. The contributions in question are the following:
